**others :** Deep knowledge of the version control and project management softwares Subversion (SVN) and Trac, beside digital accessibility and compatibility technics. Firm foundations on the main cryptography and computer security methods.

x Digital photo / video:

Savvy with audio and video compression processes and formats. Complete mastery of the softwares from Adobe suite (Photoshop, Premiere and After Effects). Can efficiently use the image edition software The GIMP.

x Languages spoken: Fluent English.

## EDUCATION

---

x **November 2008:** Entrance into SUPINFO International University engineer school on the Paris (75) campus in second year (B2).

x **September 2008 :** Acceptance at the technological institute (IUT) of Vélizy (78), univervity of Versailles Saint-Quentin.

x **Juin 2007 :** Graduated in the social and economical district, confirmed English, at Frédéric Mistral high school, in Fresnes (94).

## PROFESSIONAL AND PERSONAL EXPERIENCE

---

x **July / August 2008:** Development and update of a summer camp's website in Tence (43) for the Horizon 3000 association. Beside that, had a movie director position for one month: direction of short films with teenagers, shooting team management, use of shooting, fitting and post-production technics. I also attended this summer camp as a learner from 2000 to 2005.

x **November 2006 - May 2007 :** Permanent contract as a shop clerk at Monoprix S.A. supermarket in Villejuif (94). Notably enhanced my ability to carry out my work on a large scale.

x **2003 - 2008 :** Advertisement and public relations officer, co-direction and human resources management for an international multimedia project aiming at editing a video game: *StargateTC: Source* (<http://www.stargatetcsource.com>). Project about which I had an article published in the most famous French magazine on the topic (Joystick).

x **1998 - 2001 :** Permanent member of the teenagers city council of Chevilly-Larue (94), and des jeunes de Chevilly-Larue, and deputy mayor at the end of 1999.
